18 appropriation made by specific sum for these accounts of the budget unit as provided in  
19 Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the

16 Orders formally declared by the Governor in an Executive Order;

(d) The Kentucky Teachers' Retirement System's medical insurance fund as established in KRS 161.420 to augment the state medical insurance stabilization contribution as established in KRS 161.550.

(2) The Secretary of the Finance and Administration Cabinet shall determine, within 30 days after the close of the fiscal year 2005-2006, and the close of fiscal year 2006-2007, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year

## 25 **PART X**

### 26 **PHASE I TOBACCO SETTLEMENT**

27 **(1) General Purpose:** This Part prescribes the policy implementing aspects of the

1 national settlement agreement between the tobacco industry and the collective states as  
2 described in KRS 248.701 to 248.727. In furtherance of that agreement, the General  
3 Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I  
4 Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers  
5 and 46 Settling States which provides reimbursement to states for smoking-related  
6 expenditures made over time.

7       **(2) State's MSA Share:** The Commonwealth's share of the MSA is equal to  
8 1.7611586 percent of the total settlement amount. Payments under the MSA are made to  
9 the states annually in April of each year.

10       **(3) MSA Payment Amount Variables:** The total settlement amount to be  
11 distributed each payment date is subject to change pursuant to several variables provided  
12 in the MSA, including inflation adjustments, volume adjustments, previously settled  
13 states adjustments, and the nonparticipating manufacturers adjustment.

14       **(4) Distinct Identity of MSA Payment Deposits:** The General Assembly has  
15 determined that it shall be the policy of the Commonwealth that all Phase I Tobacco  
16 Settlement payments shall be deposited to the credit of the General Fund and shall  
17 maintain a distinct identity as Phase I Tobacco Settlement payments that shall not lapse to  
18 the credit of the General Fund surplus, but shall continue forward from each fiscal year to  
19 the next fiscal year to the extent that any balance is unexpended.

20       **(5) MSA Payment Estimates and Adjustments:** Based on the current estimates  
21 as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments  
22 expected to be received in fiscal year 2005-2006 is \$91,300,000 and in fiscal year 2006-  
23 2007 is \$88,800,000 and in fiscal year 2007-2008 is \$94,000,000. It is recognized that  
24 payments to be received by the Commonwealth are estimated and are subject to change.  
25 Any appropriations made from the estimated receipts are subject to adjustments based on  
26 actual receipts as received and certified by the Secretary of the Finance and  
27 Administration Cabinet.

1       **a. State Enforcement:** Notwithstanding KRS 248.654, a total of \$175,000 of  
 2       the MSA payments received each fiscal year of the 2006-2008 biennium is appropriated  
 3       to the Finance and Administration Cabinet, Department of Revenue for the state's  
 4       enforcement of noncompliant nonparticipating manufacturers.

5       **b. Agricultural Development Initiatives:** Fifty percent of the MSA payments,  
 6       less the above enforcement appropriations, received in fiscal year 2006-2007, estimated  
 7       to be \$44,312,500, and in fiscal year 2007-2008, estimated to be \$46,912,500, is  
 8       appropriated to the Kentucky Agricultural Development Fund to be used for agricultural  
 9       development initiatives.

10       **c. Early Childhood Development Initiatives:** Twenty-five percent of the MSA  
 11       payments, less the above enforcement appropriations, received in fiscal year 2006-2007,  
 12       estimated to be \$22,156,200, and in fiscal year 2007-2008, estimated to be \$23,456,300,  
 13       is appropriated for Early Childhood Development Initiatives as specified below.

14       **d. Health Care Initiatives:** Twenty-five percent of the MSA payments received,  
 15       less the above enforcement appropriations, in fiscal year 2006-2007, estimated to be  
 16       \$22,156,300, and in fiscal year 2007-2008, estimated to be \$23,456,200, is appropriated  
 17       to the Kentucky Health Care Improvement Fund for health care initiatives as specified  
 18       below.

19       **(6) MSA Appropriation Adjustment:** The Consensus Forecasting Group  
 20       reduced the fiscal year 2005-2006 Phase I Master Settlement Agreement revenue forecast  
 21       from the enacted estimate of \$108,600,000 to \$91,300,000, a reduction of \$17,300,000.  
 22       The revenue estimate reduction was based on the high probability of an adjustment for  
 23       nonparticipating manufacturers. To accommodate this reduction in estimated revenues,  
 24       the following fiscal year 2005-2006 appropriations are hereby reduced in accordance with  
 25       2005 Ky. Acts ch. 173, Part X, (5):

 20 without this state are equal to or greater than ten million dollars  
 21 (\$10,000,000), the alternative minimum calculation shall be nine  
 22 and one-half cents (\$0.095) per one hundred dollars (\$100) of  
 23 the corporation's gross receipts from doing business in this state;  
 24 or

25 2. Seventy-five cents (\$0.75) per one hundred dollars (\$100) of the  
 26 corporation's Kentucky gross profits. The entire amount of the  
 27 corporation's gross receipts shall be considered when making the

gross profits calculation.

3. For purposes of this paragraph, "gross receipts" means the numerator of the sales factor under the provisions of KRS 141.120(8)(c).

(7) A minimum of one hundred seventy-five dollars (\$175) shall be due for the taxable year from each corporation subject to the tax imposed by this section, regardless of the application of any tax credits provided under this chapter or any other provision of the Kentucky Revised Statutes for which the business entity may qualify.

(8) [(7)] The alternative minimum calculation portion of the tax computation provided in subsections[subsection] (5) and (6) of this section shall not apply to:

- (a) Public service corporations subject to tax under KRS 136.120;
- (b) Open-end registered investment companies organized under the laws of this state and registered under the Investment Company Act of 1940;
- (c) Any property or facility which has been certified as a fluidized bed energy production facility as defined in KRS 211.390; and

(9) [(8)] (a) As used in this subsection, "qualified exempt organization" means an entity listed in subsection (1)(a) to (h) of this section and shall not include any entity whose exempt status has been disallowed by the Internal Revenue Service.

- (b) Notwithstanding any other provisions of this section or KRS 141.010, any corporation of the type listed in KRS 141.010(24)(b) to (h) that is owned in whole or in part by a qualified exempt organization shall, in calculating its taxable net income, gross receipts, or Kentucky gross profits, exclude the proportionate share of its taxable net income, gross receipts, or Kentucky gross profits attributable to the ownership interest of the qualified exempt organization.

1 (c) Any corporation that reduces taxable net income, gross receipts, or Kentucky  
 2 gross profits in accordance with paragraph (b) of this subsection shall  
 3 disregard the ownership interest of the qualified exempt organization in  
 4 determining the amount of credit available under KRS 141.420.

5 (d) The Department of Revenue may promulgate an administrative regulation to  
 6 further define "qualified exempt organization" to include an entity for which  
 7 exemption is constitutionally or legally required, or to exclude any entity  
 8 created primarily for tax avoidance purposes with no legitimate business  
 9 purpose.

10 ~~(10)(9)~~ (a) To the extent that a corporation identified in KRS 141.010(24)(b) to (h)  
 11 is doing business in this state, any member, shareholder or partner of the  
 12 corporation may elect to pay, on behalf of the corporation, his, her or its  
 13 proportionate share of the tax imposed by this section against the corporation.  
 14 If an election is made, the electing member, shareholder or partner shall be  
 15 treated in the same manner as the corporation regarding the proportionate part  
 16 of the tax paid by the member, shareholder or partner. An election made  
 17 pursuant to this subsection shall not:

- 18 1. Be used by the Department of Revenue or the taxpayer to assert that the
- 19 party making the election is doing business in Kentucky;
- 20 2. Result in an increase of the amount of credit allowable under KRS
- 21 141.420; or
- 22 3. Apply to any corporation that is required to be included in a
- 23 consolidated return under KRS 141.200(2) to (5) and (9) to (12).

24 (b) The Department of Revenue shall prescribe forms and promulgate regulations  
 25 to execute and administer the provisions of this subsection.

26 Section 2. KRS 141.011 is amended to read as follows:

27 (1) Notwithstanding any other provision of this chapter, the net operating loss

1 carryback-carryforward deduction, including casualty loss, allowed under Section  
 2 172 of the Internal Revenue Code shall apply only to such losses incurred in taxable  
 3 years beginning after December 31, 1979, and no such loss shall be carried back to  
 4 taxable years beginning before January 1, 1980. Any casualty loss carryforward  
 5 authorized by this section as it existed before January 1, 1980, may be carried  
 6 forward as an itemized deduction until it has been fully deducted.

7 (2) The net operating loss carryback deduction shall not be allowed for losses incurred  
 8 for taxable years beginning on or after January 1, 2005.

9 (3) For taxable years when the tax due under KRS 141.040 is based on the alternative  
 10 minimum calculation provided in KRS 141.040~~[(5)(b)]~~, any net operating loss  
 11 carryforward deduction that is utilized for the taxable year shall be the amount of  
 12 taxable net income that exceeds the taxable net income equivalent of the alternative  
 13 minimum calculation. For purposes of this subsection, "taxable net income  
 14 equivalent" means the taxable net income that would generate an income tax equal  
 15 to the alternative minimum calculation liability computed under KRS  
 16 141.040~~[(5)(b)]~~.

17 (4) For taxable years beginning on or after January 1, 2005, the net operating loss  
 18 carryforward deduction of a corporation shall be reduced by the amount of  
 19 distributive share income, loss, and deduction distributed to an individual or general  
 20 partnership as defined in KRS 141.206.

21 (5) The portion of a net operating loss that is not used to offset the income of an  
 22 affiliate according to the limits in KRS 141.200(11) shall be available for  
 23 carryforward, subject to the limitations contained in this section.

24 Section 3. KRS 141.200 is amended to read as follows:

25 (1) Subsections (2) to (7) of this section shall apply for taxable periods ending before  
 26 January 1, 2005, and election periods beginning prior to January 1, 2005.

27 (2) As used in subsections (2) to (7) of this section, unless the context requires

3 Internal Revenue Code and related regulations;

4 (b) "Consolidated return" means a Kentucky corporation income tax return filed

8 and related regulations, except as required by differences between this chapter  
9 and the Internal Revenue Code. Corporations exempt from taxation under  
10 KRS 141.040 shall not be included in the return;

11 (c) "Separate return" means a Kentucky corporation income tax return in which  
12 only the transactions and activities of a single corporation are considered in  
13 making all determinations and computations necessary to calculate taxable net

15 chapter;

22 corporation was, for any part of the taxable year, a member of an affiliated group  
23 electing to file a consolidated return in accordance with subsection (4) of this  
24 section.

25 (4) (a) An affiliated group, whether or not filing a federal consolidated return, may  
26 elect to file a consolidated return which includes all members of the affiliated  
27 group.

- 1 (b) An affiliated group electing to file a consolidated return under paragraph (a) of  
 2 this subsection shall be treated for all purposes as a single corporation under  
 3 the provisions of this chapter. All transactions between corporations included  
 4 in the consolidated return shall be eliminated in computing net income in  
 5 accordance with KRS 141.010(13), and in determining the property, payroll,  
 6 and sales factors in accordance with KRS 141.120. The gross receipts received  
 7 by a public service company that is a member of an affiliated group shall be  
 8 excluded from the calculation of the alternative minimum calculation under  
 9 the provisions of KRS 141.040~~[(5)(b)]~~. For purposes of this paragraph,  
 10 "public service company" has the same meaning as provided in KRS 136.120.
- 11 (c) Any election made in accordance with paragraph (a) of this subsection shall be  
 12 made on a form prescribed by the department and shall be submitted to the  
 13 department on or before the due date of the return including extensions for the  
 14 first taxable year for which the election is made.
- 15 (d) Notwithstanding subsections (9) to (15) of this section, any election to file a  
 16 consolidated return pursuant to paragraph (a) of this subsection shall be  
 17 binding on both the department and the affiliated group for a period beginning  
 18 with the first month of the first taxable year for which the election is made and  
 19 ending with the conclusion of the taxable year in which the ninety-sixth  
 20 consecutive calendar month expires.
- 21 (e) For each taxable year for which an affiliated group has made an election in  
 22 accordance with paragraph (a) of this subsection, the consolidated return shall  
 23 include all corporations which are members of the affiliated group.
- 24 (5) Each corporation included as part of an affiliated group filing a consolidated return  
 25 shall be jointly and severally liable for the income tax liability computed on the  
 26 consolidated return, except that any corporation which was not a member of the  
 27 affiliated group for the entire taxable year shall be jointly and severally liable only

1 for that portion of the Kentucky consolidated income tax liability attributable to that  
 2 portion of the year that the corporation was a member of the affiliated group.

3 (6) Every corporation return or report required by this chapter shall be executed by one  
 4 (1) of the following officers of the corporation: the president, vice president,  
 5 secretary, treasurer, assistant secretary, assistant treasurer, or chief accounting  
 6 officer. The Department of Revenue may require a further or supplemental report of  
 7 further information and data necessary for computation of the tax.

8 (7) In the case of a corporation doing business in this state that carries on transactions  
 9 with stockholders or with other corporations related by stock ownership, by  
 10 interlocking directorates, or by some other method, the department shall require  
 11 information necessary to make possible accurate assessment of the income derived  
 12 by the corporation from sources within this state. To make possible such  
 13 assessment, the department may require the corporation to file supplementary  
 14 returns showing information respecting the business of any or all individuals and  
 15 corporations related by one (1) or more of these methods to the corporation. The  
 16 department may require the return to show in detail the record of transactions  
 17 between the corporation and any or all other related corporations or individuals.

18 (8) Subsections (9) to (14) of this section shall apply for taxable years beginning on or  
 19 after January 1, 2005.

 26 one (1) other includible corporation; and

27 b. An ownership interest meeting the requirements of subparagraph

14 regulations, except as required by differences between this chapter and the  
15 Internal Revenue Code; and
- 16 (g) "Separate return" means a Kentucky corporation income tax return in which  
17 only the transactions and activities of a single corporation are considered in  
18 making all determinations and computations necessary to calculate taxable net  
19 income, tax due, and credits allowed in accordance with the provisions of this  
20 chapter.
- 21 (10) Every corporation doing business in this state except those exempt from taxation  
22 under KRS 141.040(1)(a) to (h) shall, for each taxable year, file a separate return

15 available for carryforward in accordance with KRS 141.011. The Department  
16 of Revenue shall promulgate administrative regulations to establish the  
17 manner and extent to which net operating losses attributable to tax periods  
18 ending prior to January 1, 2005, may offset income of affiliated groups. The

10 (14) In the case of a corporation doing business in this state that carries on transactions  
11 with stockholders, members or partners, or with other corporations related by  
12 ownership, by interlocking directorates, or by some other method, the department  
13 shall require that information necessary to make possible an accurate assessment of  
14 the income derived by the corporation from sources within this state be provided.  
15 To make possible this assessment, the department may require the corporation to  
16 file supplementary returns showing information respecting the business of any or all  
17 individuals and corporations related by one (1) or more of these methods to the  
18 corporation. The department may require the return to show in detail the record of  
19 transactions between the corporation and any or all other related corporations or

 2 the unitary business concept or to a consolidated return, shall be effective or  
 3 recognized for any purpose.

4 (17) No claim for refund or credit of a tax overpayment for any taxable year ending on or  
 5 before December, 31, 1995, made by an amended return or any other method after  
 6 December 22, 1994, and based on a change from any initially filed separate return  
 7 or returns to a combined return under the unitary business concept or to a  
 8 consolidated return, shall be effective or recognized for any purpose.

9 (18) No corporation or group of corporations shall be allowed to file a combined return  
 10 under the unitary business concept or a consolidated return for any taxable year  
 11 ending before December 31, 1995, unless on or before December 22, 1994, the  
 12 corporation or group of corporations filed an initial or amended return under the  
 13 unitary business concept or consolidated return for a taxable year ending before  
 14 December 22, 1994.

23 income attributable to an economic development project at the rates provided  
24 in KRS 141.020(2).

25 (b) The amount of the tax credit shall be the same as the amount of the tax  
26 computed in this subsection or, upon the annual election of the approved  
27 company, in lieu of the tax credit, an amount shall be applied as an estimated

19 (a) Net income attributable to the project for the purposes of subsections (3), (4),  
20 and (5) of this section shall be determined under the separate accounting  
21 method reflecting only the gross income, deductions, expenses, gains, and  
22 losses allowed under this chapter directly attributable to the facility and

12 be determined under the separate accounting method reflecting only the gross  
13 receipts or Kentucky gross profits directly attributable to the facility, and gross  
14 receipts or Kentucky gross profits attributable to the economic development  
15 project for the purposes of subsection (3) of this section shall be determined  
16 by apportioning the separate accounting gross receipts or Kentucky gross

18 approved by the Department of Revenue.
- 19 (8) If an approved company can show to the satisfaction of the Department of Revenue

21 that it is not practical to use the separate accounting method to determine the net  
22 income, gross receipts, or Kentucky gross profits from the facility at which the  
23 economic development project is located, the approved company shall determine  
24 net income, gross receipts, or Kentucky gross profits from the economic  
25 development project using an alternative method approved by the Department of  
26 Revenue.
- 27 (9) The Department of Revenue may issue administrative regulations and require the

4 Section 5. KRS 141.390 is amended to read as follows:

5 (1) As used in this section:

6 (a) "Postconsumer waste" means any product generated by a business or  
 7 consumer which has served its intended end use, and which has been  
 8 separated from solid waste for the purposes of collection, recycling,  
 9 composting, and disposition and which does not include secondary waste  
 10 material or demolition waste;

11 (b) "Recycling equipment" means any machinery or apparatus used exclusively to  
 12 process postconsumer waste material and manufacturing machinery used  
 13 exclusively to produce finished products composed of substantial  
 14 postconsumer waste materials;

15 (c) "Composting equipment" means equipment used in a process by which  
 16 biological decomposition of organic solid waste is carried out under controlled  
 17 aerobic conditions, and which stabilizes the organic fraction into a material  
 18 which can easily and safely be stored, handled, and used in a environmentally  
 19 acceptable manner;

20 (d) "Recapture period" means:

- 21 1. For qualified equipment with a useful life of five (5) or more years, the  
 22 period from the date the equipment is purchased to five (5) full years  
 23 from that date; or
- 24 2. For qualified equipment with a useful life of less than five (5) years, the  
 25 period from the date the equipment is purchased to three (3) full years  
 26 from that date;

27 (e) "Useful life" means the period determined under Section 168 of the Internal

1 Revenue Code;

2 (f) "Baseline tax liability" means the tax liability of the taxpayer for the most  
3 recent tax year ending prior to January 1, 2005; and

4 (g) "Major recycling project" means a project where the taxpayer:

5 1. Invests more than ten million dollars (\$10,000,000) in recycling or  
6 composting equipment to be used exclusively in this state;

7 2. Has more than seven hundred fifty (750) full-time employees with an  
8 average hourly wage of more than three hundred percent (300%) of the  
9 federal minimum wage; and

10 3. Has plant and equipment with a total cost of more than five hundred  
11 million dollars (\$500,000,000).

12 (2) (a) A taxpayer that purchases recycling or composting equipment to be used  
13 exclusively within this state for recycling or composting postconsumer waste  
14 materials shall be entitled to a credit against the income taxes imposed  
15 pursuant to this chapter, including any tax due under the provisions of KRS  
16 141.040~~[(5)(b)]~~, in an amount equal to fifty percent (50%) of the installed cost  
17 of the recycling or composting equipment. The amount of credit claimed in  
18 the tax year during which the recycling equipment is purchased shall not  
19 exceed ten percent (10%) of the amount of the total credit allowable and shall  
20 not exceed twenty-five percent (25%) of the total of each tax liability which  
21 would be otherwise due.

22 (b) For taxable years beginning after December 31, 2004, a taxpayer that has a  
23 major recycling project containing recycling or composting equipment to be  
24 used exclusively within this state for recycling or composting postconsumer  
25 waste material shall be entitled to a credit against the income taxes imposed  
26 pursuant to this chapter, including any tax due under the provisions of KRS  
27 141.040~~[(5)(b)]~~, in an amount equal to fifty percent (50%) of the installed cost

1 of the recycling or composting equipment. The credit described in this  
2 paragraph shall be limited to a period of ten (10) years commencing with the  
3 approval of the recycling credit application. In each taxable year, the amount  
4 of credits claimed for all major recycling projects shall be limited to:

- 5 1. Fifty percent (50%) of the excess of the total of each tax liability over  
6 the baseline tax liability of the taxpayer; or
- 7 2. Two million five hundred thousand dollars (\$2,500,000), whichever is  
8 less.

9 (c) A taxpayer with one (1) or more major recycling projects shall be entitled to a  
10 total credit including the amount computed in paragraph (a) of this subsection  
11 plus the amount of credit computed in paragraph (b) of this subsection.

12 (d) A taxpayer shall not be permitted to utilize a credit computed under paragraph  
13 (a) of this subsection and a credit computed under paragraph (b) of this  
14 subsection on the same recycling or composting equipment.

- 15 (3) Application for a tax credit shall be made to the Department of Revenue on or  
16 before the first day of the seventh month following the close of the taxable year in  
17 which the recycling or composting equipment is purchased. The application shall  
18 include a description of each item of recycling equipment purchased, the date of  
19 purchase and the installed cost of the recycling equipment, a statement of where the  
20 recycling equipment is to be used, and any other information as the Department of  
21 Revenue may require. The Department of Revenue shall review all applications  
22 received to determine whether expenditures for which credits are required meet the  
23 requirements of this section and shall advise the taxpayer of the amount of credit for  
24 which the taxpayer is eligible under this section. Any corporation as defined in KRS  
25 141.010(24)(b) to (h) may elect to claim the balance of a recycling credit approved  
26 prior to March 18, 2005, against its tax liability imposed under KRS 141.040. The  
27 election shall be binding on the taxpayer and the Department of Revenue until the

1 balance of the recycling credit is used.

2 (4) Except as provided in subsection (6) of this section, if a taxpayer that receives a tax  
3 credit under this section sells, transfers, or otherwise disposes of the qualifying  
4 recycling or composting equipment before the end of the recapture period, the tax  
5 credit shall be redetermined under subsection (5) of this section. If the total credit  
6 taken in prior taxable years exceeds the redetermined credit, the difference shall be  
7 added to the taxpayer's tax liability under this chapter for the taxable year in which  
8 the sale, transfer, or disposition occurs. If the redetermined credit exceeds the total  
9 credit already taken in prior taxable years, the taxpayer shall be entitled to use the  
10 difference to reduce the taxpayer's tax liability under this chapter for the taxable  
11 year in which the sale, transfer, or disposition occurs.

12 (5) The total tax credit allowable under subsection (2) of this section for equipment that  
13 is sold, transferred, or otherwise disposed of before the end of the recapture period  
14 shall be adjusted as follows:

15 (a) For equipment with a useful life of five (5) or more years that is sold,  
16 transferred, or otherwise disposed of:

- 17 1. One (1) year or less after the purchase, no credit shall be allowed.
- 18 2. Between one (1) year and two (2) years after the purchase, twenty  
19 percent (20%) of the total allowable credit shall be allowed.
- 20 3. Between two (2) and three (3) years after the purchase, forty percent  
21 (40%) of the total allowable credit shall be allowed.
- 22 4. Between three (3) and four (4) years after the purchase, sixty percent  
23 (60%) of the total allowable credit shall be allowed.
- 24 5. Between four (4) and five (5) years after the purchase, eighty percent  
25 (80%) of the total allowable credit shall be allowed.

26 (b) For equipment with a useful life of less than five (5) years that is sold,  
27 transferred, or otherwise disposed of:

- 1           1. One (1) year or less after the purchase, no credit shall be allowed.
- 2           2. Between one (1) year and two (2) years after the purchase, thirty-three
- 3           percent (33%) of the total allowable credit shall be allowed.
- 4           3. Between two (2) and three (3) years after the purchase, sixty-seven
- 5           percent (67%) of the total allowable credit shall be allowed.
- 6 (6) Subsections (4) and (5) of this section shall not apply to transfers due to death, or
- 7           transfers due merely to a change in business ownership or organization as long as
- 8           the equipment continues to be used exclusively in recycling or composting, or
- 9           transactions to which Section 381(a) of the Internal Revenue Code applies.
- 10 (7) The Department of Revenue may promulgate administrative regulations to carry out
- 11           the provisions of this section.

 18          in KRS 141.020(2).
- 19          (b) The amount of the tax credit shall be the same as the amount of the tax  
 20          computed in this subsection or, upon the annual election of the approved  
 21          company, in lieu of the tax credit, an amount shall be applied as an estimated

- 26          (c) The tax credit or estimated payment shall not exceed the limits set forth in  
 27          KRS 154.28-090.

1 (d) If the tax computed in this section exceeds the credit, the excess shall be paid  
2 by the general partnership or trust at the times provided by KRS 141.160 for  
3 filing the returns.

4 (e) Any estimated tax payment made by the general partnership or trust in  
5 satisfaction of the tax liability of partners or beneficiaries shall not be treated  
6 as taxable income subject to Kentucky income tax by the partner or

12 (a) Net income attributable to the entire facility shall be determined under the  
13 separate accounting method reflecting only the gross income, deductions,  
14 expenses, gains, and losses allowed under KRS Chapter 141 directly  
15 attributable to the facility and overhead expenses apportioned to the facility,  
16 and the net income attributable to the reinvestment project for the purposes of  
17 subsections (3), (4), and (5) of this section shall be determined by  
18 apportioning the separate accounting net income of the entire facility to the  
19 reinvestment project by a formula approved by the Department of Revenue;  
20 and

21 (b) Gross receipts or Kentucky gross profits attributable to the entire facility shall  
22 be determined under the separate accounting method reflecting only the gross  
23 receipts or Kentucky gross profits directly attributable to the facility, and gross  
24 receipts or Kentucky gross profits attributable to the economic development  
25 project for the purposes of subsection (3) of this section shall be determined  
26 by apportioning the separate accounting gross receipts or Kentucky gross  
27 profits of the entire facility to the economic development project by a formula

1 approved by the Department of Revenue.

2 (8) If an approved company can show to the satisfaction of the Department of Revenue  
3 that the nature of the operations and activities of the approved company are such  
4 that it is not practical to use the separate accounting method to determine the net  
5 income or gross receipts from the facility at which the reinvestment project is  
6 located, the approved company shall determine net income or gross receipts from  
7 the reinvestment project using an alternative method approved by the Department of  
8 Revenue.

9 (9) The Department of Revenue may issue administrative regulations and require the  
10 filing of forms designed by the Department of Revenue to reflect the intent of KRS  
11 154.34-010 to 154.34-100 and the allowable income tax credit which an approved  
12 company may retain under KRS 154.34-010 to 154.34-100.

13 Section 14. KRS 141.420 is amended to read as follows:

14 (1) (a) Every corporation identified in KRS 141.010(24)(b) to (h) that is doing  
15 business in this state shall, on or before the fifteenth day of the fourth month  
16 following the close of its annual accounting period, file a copy of its  
17 applicable federal return with the form prescribed and furnished by the  
18 department.

19 (b) For a corporation filing a return under paragraph (a) of this subsection, the  
20 individual partner's, member's, or shareholder's distributive share of net  
21 income, gain, loss, or deduction shall be computed as nearly as practicable in  
22 a manner identical to that required for federal income tax purposes except to  
23 the extent required by differences between this chapter and the federal income  
24 tax law and regulations.

25 (2) (a) Resident individuals who are members, partners, or shareholders of a  
26 corporation required to file a return under subsection (1)(a) of this section  
27 shall report and pay tax on the distributive share of net income, gain, loss, or

1 deduction as determined in subsection (1)(b) of this section.

2 (b) Nonresident individuals who are members, partners, or shareholders of a  
3 corporation required to file a return under subsection (1)(a) of this section  
4 shall report and pay tax on the distributive share of net income, gain, loss, or  
5 deduction as determined in subsection (1)(b) of this section multiplied by the  
6 apportionment fraction in KRS 141.120(8).

7 (3) (a) Resident and nonresident individuals who are members, shareholders, or  
8 partners of a corporation required to file a return under paragraph (a) of  
9 subsection (1) of this section shall be entitled to a nonrefundable credit against  
10 the tax imposed under KRS 141.020.

12 shareholder's, or partner's proportionate share of the tax due from the  
13 corporation as determined under KRS 141.040, before the application of any  
14 credits identified in KRS 141.0205(4) and reduced by the required minimum  
15 imposed by KRS 141.040~~(7)~~~~(6)~~.

16 (c) Notwithstanding the provisions of paragraph (a) of this subsection, for taxable  
17 years beginning after December 31, 2004, and before January 1, 2007, the  
18 portion of the credit computed under paragraph (b) of this subsection that  
19 exceeds the credit that would have been utilized if the corporation's income  
20 were taxed at the rates in KRS 141.020 shall be refundable. The refundable  
21 portion of the credit shall be the individual member's, shareholder's, or  
22 partner's proportionate share of the amount computed by multiplying the  
23 amount the corporation's income exceeds two hundred sixteen thousand six  
24 hundred dollars (\$216,600) by one percent (1%).

25 (d) The credit determined under paragraphs (a) and (b) of this subsection shall not  
26 operate to reduce the member's, shareholder's, or partner's tax due to an  
27 amount that is less than what would have been payable were the income

1           attributable to doing business in this state by the corporation ignored.

(4) For purposes of computing the basis of an ownership interest or stock in a corporation identified in KRS 141.010(24)(b) to (h), the basis attributable to a member, partner, or shareholder shall be adjusted by the distributive share of the items of net income, gain, loss and deduction as though the items had been passed through to the member, partner, or shareholder.

(5) Except as otherwise provided in this chapter, distributions by or from a corporation shall be treated in the same manner as they are treated for federal tax purposes.

## PART XV

### APPORTIONED VEHICLES

1 Notwithstanding KRS 48.310, the following statutes are created or amended to read  
2 as follows and shall have permanent effect, subject to future actions by the General  
3 Assembly:

4 SECTION 1. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO  
5 READ AS FOLLOWS:

6 (1) There shall be exempt from ad valorem tax for state and local purposes trucks,  
7 tractors, and buses used on routes or in systems that are partly within and partly  
8 outside Kentucky, and that are subject to the fee imposed by Section 2 of this  
9 Part.

10 (2) There shall be exempt from ad valorem tax for state and local purposes  
11 semitrailers as defined in KRS 189.010(12) and trailers as defined in KRS  
12 189.010(17) that are used on a route or in a system that is partly within and partly  
13 outside Kentucky. Semitrailers or trailers required to be registered under KRS  
14 186.655 that are used only in Kentucky shall be subject to the ad valorem tax  
15 imposed by KRS 132.487.

16 SECTION 2. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO  
17 READ AS FOLLOWS:

18 (1) Notwithstanding KRS 132.487, any truck, tractor, or bus which is operated on a  
19 route or as part of a system that is partly within and partly outside Kentucky shall  
20 be subject to an annual fee at the time the vehicle is registered with and the  
21 registration fee is paid to the Transportation Cabinet pursuant to KRS 186.020  
22 and KRS 186.050(3) and (13). The fee shall be imposed on the vehicle's owner or  
23 the owner's legal designee as of January 1 of each year. Such payment shall be  
24 made to the Transportation Cabinet either directly, in the case of a vehicle based  
25 in Kentucky, or indirectly, through the International Registration Plan, in the  
26 case of a vehicle based outside of Kentucky.

27 (2) The fee imposed by subsection (1) of this section replaces the state and local ad

valorem property tax the Department of Revenue previously imposed and centrally collected against trucks, tractors, and buses operated on a route or as part of a system that is partly within and partly outside Kentucky. The fee imposed by subsection (1) of this section shall not be construed as a fee imposed upon the registration, operation, or use of the vehicles on public highways. The Department of Revenue shall use the following method for determining the rate for fixing the assessed value of the property and for determining the annual fee amount:

(a) The Department of Revenue shall determine the assessed value on an annual basis by multiplying the purchase price of the truck, tractor, or bus by a depreciation value expressed as a percentage of the original cost from an authoritative source that the Department of Revenue prescribes by promulgation of an administrative regulation;

(b) The Department of Revenue shall determine an aggregate state and local rate on an annual basis. The state rate shall be the weighted average commercial and industrial tangible personal property tax rate, and the local rate shall be determined using the method set forth in KRS 136.180(3) and (4);

(c) The Department of Revenue shall determine the amount subject to the annual fee by multiplying the total assessed value of all vehicles by an apportionment factor. The apportionment factor shall be determined as provided in KRS 186.050(13)(a); and

(d) The annual fee shall be determined by multiplying the amount subject to the annual fee by the rate determined in paragraph (b) of this subsection. The Department of Revenue shall provide the Transportation Cabinet with the information needed to collect the fee.

(3) The Transportation Cabinet shall forward the money it collects from the fee

1 imposed by subsection (1) of this section to the Department of Revenue on a  
 2 monthly basis. The Department of Revenue shall divide and distribute the money  
 3 among the state, counties, cities, urban-counties, charter counties, consolidated  
 4 local governments, school districts, and special taxing districts in the same  
 5 manner as the Department of Revenue divided and distributed the state and local  
 6 ad valorem property tax previously imposed and centrally collected.

7 (4) Pick-up and delivery vehicles operating from a terminal within this state and  
 8 vehicles that do not leave the state in the normal course of business shall not be  
 9 required to pay the fee imposed by subsection (1) of this section, but shall instead  
 10 be subject to the ad valorem tax under KRS 132.487.

11 (5) Any person paying the fee imposed by subsection (1) of this section shall have  
 12 forty-five (45) days from the date the person is notified of the fee amount to  
 13 protest. The protest shall be filed with the Commonwealth of Kentucky,  
 14 Department of Revenue, in accordance with the provisions of KRS 131.110.  
 15 Notification by any state's or Canadian province's or territory's registration  
 16 authority of the amount due shall satisfy the notification requirement of KRS  
 17 131.110(1).

18 (6) No protest or appeal shall delay the collection or payment of the fee imposed by  
 19 subsection (1) of this section. The fee amount due as determined in subsection (2)  
 20 of this section shall be paid at the time of registration. If the fee is not paid, the  
 21 Commonwealth of Kentucky, Transportation Cabinet shall not register the  
 22 vehicle for which registration is sought. Persons registering vehicles in other  
 23 states or Canada shall be subject to requirements of those registration  
 24 authorities.

25 Section 3. KRS 136.1873 is amended to read as follows:

26 The provisions of this section shall apply to assessments made prior to January 1,  
 27 2007.

1 (1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors,  
 2 semitrailers, and buses of any person, corporation, partnership, or any other  
 3 business association whose route or system is partly within this state and partly  
 4 within another state or states, shall be assessed by the Department of Revenue for  
 5 purposes of taxation as of January 1 each year.

6 (2) The proportion of miles operated in this state compared to the total miles operated  
 7 everywhere shall be considered in fixing the value of the property for taxation.  
 8 Other reasonable evidence shall be considered in fixing the value. However, pick-up  
 9 and delivery vehicles operating from a terminal within this state or vehicles which  
 10 do not leave this state in the normal course of business shall not be valued on an  
 11 apportioned basis.

12 Section 4. KRS 136.1875 is amended to read as follows:

13 On or before April 15, 1991, and prior to January 1, 2007~~[each year thereafter]~~, each  
 14 person, corporation, partnership, or other business association owning or operating trucks,  
 15 tractors, trailers, semitrailers, and buses whose route or system is partly within this state  
 16 and partly within another state or states, shall on forms provided by the Department of  
 17 Revenue provide the department with a detailed description of all its vehicles operating  
 18 within this state along with the necessary mileage data to be used in apportioning the  
 19 value on an annual basis.

20 Section 5. KRS 136.1877 is amended to read as follows:

21 The provisions of this section shall apply to assessments made prior to January 1,  
 22 2007.

23 (1) The Department of Revenue shall immediately, after fixing the assessed value of the  
 24 trucks, tractors, trailers, semitrailers, and buses, notify the taxpayer of the valuation  
 25 determined. Any taxpayer who has been assessed by the department in the manner  
 26 outlined in KRS 136.1873 shall have forty-five (45) days from the date of the  
 27 department's notice of the tentative assessment to protest as provided by KRS

1 131.110.

2 (2) No appeal shall delay the collection or payment of taxes based upon the assessment  
3 in controversy. The taxpayer shall pay all state, county, and district taxes due on the  
4 valuation which the taxpayer claims as the true value as stated in the protest filed  
5 under KRS 131.110. When the valuation is finally determined upon appeal, the  
6 taxpayer shall be billed for any additional tax and interest at the tax interest rate as  
7 defined in KRS 131.010(6), from the date the tax would have become due if no  
8 appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

9 (3) The state and local taxes on the property are due forty-five (45) days from the date  
10 of notice and shall be collected directly by the Department of Revenue.

11 (4) The Department of Revenue shall annually calculate an aggregate local rate to be  
12 used in determining the local taxes to be collected. The rate shall be the statewide  
13 average motor vehicle tax rate for each type of local taxing district multiplied by a  
14 fraction, the numerator of which is the commercial and industrial tangible personal  
15 property assessment subject to full local rates and the denominator of which is the  
16 total commercial and industrial tangible personal property assessment.

17 (5) The local taxes collected by the Department of Revenue shall be distributed to each  
18 local taxing district levying a tax on motor vehicles based on the statewide average  
19 rate for each type of local taxing district. However, prior to distribution any fees  
20 owed to the Department of Revenue by any local taxing district under the provisions  
21 of KRS 136.180(6) shall be deducted.

22 Section 6. The provisions of this Part take effect on January 1, 2007.

(5) A financial institution may charge an account levied on by the department a fee of not more than twenty dollars (\$20) which may be deducted from the account prior to remitting any funds to the department.

(6) The department shall bear the cost or, if paid by the delinquent taxpayer or debtor, reimburse the delinquent taxpayer or debtor for any bank charges

incurred as a result of any erroneous lien or levy by the department, provided the erroneous lien or levy was caused by department error and, prior to the issuance of the erroneous lien or levy, the delinquent taxpayer or debtor timely responded to all contacts by the department and provided information or documentation sufficient to establish his or her position.

SECTION 3. A NEW SECTION OF KRS CHAPTER 131 IS CREATED TO READ AS FOLLOWS:

(1) A financial institution furnishing a report or providing asset information about a

1 delinquent taxpayer or debtor to the department shall not disclose to the  
2 delinquent taxpayer or debtor that the name of that person has been received  
3 from or furnished to the department. A financial institution may disclose to its  
4 depositors or account holders that under the financial institution match system  
5 the department has the authority to request certain identifying information on  
6 certain depositors or account holders.

7 (2) If a financial institution willfully violates the provisions of this section, the  
8 institution shall pay to the department the lesser of one thousand dollars (\$1,000)  
9 or the amount on deposit or in the account of the person to whom the disclosure  
10 was made.

11 (3) A financial institution shall incur no obligation or liability to a depositor or  
12 account holder or any other person arising from the furnishing of a report or  
13 information to the department pursuant to Sections 1 to 4 of this Part, or from  
14 the failure to disclose to a depositor or account holder that the name of the  
15 person was included in a list or report furnished by the financial institution to the  
16 department.

17 (4) A financial institution shall not give notice to an account holder or customer of  
18 the financial institution that the financial institution has provided information or  
19 taken any action pursuant to Sections 1 to 4 of this Part and shall not be liable  
20 for failure to provide that notice; provided, however, that a financial institution  
21 may disclose to its depositors or account holders that, under the data match  
22 system, the department has the authority to request certain identifying  
23 information on certain depositors or account holders. The department shall  
24 notify, not less than annually, affected depositors or account holders who have

12       (1) An excise tax at the rate of nine percent (9%) of the average wholesale price  
13       rounded to the third decimal when computed on a per gallon basis shall be paid on  
14       all gasoline and special fuel received in this state. For the purposes of the  
15       allocations in KRS 177.320(1) and (2) and 177.365, the amount calculated under  
16       this subsection shall be reduced by the amount calculated in subsection (3) of this  
17       section. Except as provided by KRS Chapter 138, no other excise or license tax  
18       shall be levied or assessed on gasoline or special fuel by the state or any political  
19       subdivision of the state. The tax herein imposed shall be paid by the dealer  
20       receiving the gasoline or special fuel to the State Treasurer in the manner and within  
21       the time specified in KRS 138.230 to 138.340 and all such tax may be added to the

24       collection of the tax upon any gasoline or special fuel after it has been once taxed  
25       under the provisions of this section, unless such tax was refunded or credited.

26       (2) In addition to the excise tax provided in subsection (1) of this section, there is  
27       hereby levied a supplemental highway user motor fuel tax to be paid in the same

- 1 manner and at the same time as the tax provided in subsection (1) of this section.
- 2 Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by
- 3 taking the excise tax resulting from the calculation provided for in subsection (1) of
- 4 this section and adjusting such tax calculated, for each quarter, to reflect decreases
- 5 in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment
- 6 shall be made by calculating the difference between the average wholesale price
- 7 computed for the quarter beginning October 1, 1985, as provided for in subsection
- 8 (4) of this section, and the average wholesale price computed for the quarter
- 9 beginning July 1, 1986 and each succeeding quarter, as provided for in subsection
- 10 (4) of this section. In the event of a decrease in the average wholesale price
- 11 computed for the quarter beginning October 1, 1985, and ending December 31,
- 12 1985, and the average wholesale price computed for the quarter beginning July 1,
- 13 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that
- 14 quarter. The upward adjustment shall equal one-half (1/2) of the decrease between
- 15 the two (2) quarterly periods, rounded to the third decimal. In no case shall the
- 16 adjustment provided by this subsection result in a supplemental highway user motor
- 17 fuel tax greater than five cents (\$0.05) on gasoline or two cents (\$0.02) on special
- 18 fuel and, notwithstanding any adjustment which may be calculated as provided by
- 19 this subsection, in no case shall the supplemental highway user motor fuel tax for
- 20 any quarter be less than the previous quarter. The supplemental highway user motor
- 21 fuel tax provided by this subsection and the provisions of subsections (1) and (3) of
- 22 this section shall constitute the tax on motor fuels imposed by KRS 138.220.
- 23 (3) Effective July 1, 2005, one cent (\$0.01), and effective July 1, 2006, two and one-
- 24 tenth cents (\$0.021), of the tax collected under subsection (1) of this section shall
- 25 be excluded from the calculations in KRS 177.320(1) and (2) and 177.365. The
- 26 funds identified in this subsection shall be deposited into the state road fund.
- 27 (4) Effective with the calendar quarter beginning July 1, 1980, the department shall

- 1 determine on a consistent basis the average wholesale price for each calendar  
 2 quarter, on the basis of sales data accumulated for the first month of the preceding  
 3 quarter. Notification of the average wholesale price shall be given to all licensed  
 4 dealers at least twenty (20) days in advance of the first day of each calendar quarter.
- 5 (5) Dealers with a tax-paid gasoline or special fuel inventory at the time an average  
 6 wholesale price becomes effective, shall be subject to additional tax or appropriate  
 7 tax credit to reflect the increase or decrease in the average wholesale price for the  
 8 new quarter. The department shall promulgate such rules and regulations to properly  
 9 administer this provision.

14 determination of all adjustments, that such manufacturer would have been  
15 required to make on account of such units sold had it been a participating  
16 manufacturer, the excess shall be released from escrow and revert back to

2       **Section 13.**       Notwithstanding KRS 304.17A.0952(8)(b), an insurer may

6       **Section 14.**       Notwithstanding KRS 216.2921(1), the Cabinet for Health and  
7 Family Services shall make every effort to make health data findings that can serve as a  
8 basis to educate consumers on the cost and quality of health care and providers for the  
9 purpose of improving patient morbidity and mortality outcomes available to the public,  
10 and state and local leaders in health policy, through the cost-effective and timely use of  
11 the media and the Internet and through distribution of the findings to health facilities and

15 and Family Services shall publish and make publicly available, pursuant to Section 18 of  
16 this Part, information on charges, quality, and outcomes of health care services provided,

19       Notwithstanding KRS 216.2923(2)(f), the cabinet advisory committee shall utilize  
20 the Health Services Data Advisory Committee as a subcommittee, which shall include a  
21 member of the Division of Women's Physical and Mental Health, to define quality  
22 outcome measurements and to advise the cabinet on technical matters including review of  
23 administrative regulations promulgated pursuant to KRS Chapter 13A, proper  
24 interpretation of the data, and the most cost-effective manner in which it should be  
25 published and disseminated to the public. The Health Services Data Advisory Committee  
26 shall review and make recommendations to the secretary's advisory committee regarding  
27 exploration of technical matters related to data from other health care providers. The

13 (f) Procedures pertaining to the confidentiality of data collected.

14 Notwithstanding KRS 216.2925(3), the data-gathering activities of the cabinet shall  
15 be coordinated with and not duplicative of other data-collection activities conducted by  
16 the Office of Insurance, as well as other state and national agencies and organizations that  
17 collect the same or substantially similar health-related service, utilization, quality,  
18 outcome, financial, or health-care personnel data, and shall review all administrative  
19 regulations promulgated pursuant to KRS 216.2920 to 216.2929 to prevent duplicate  
20 filing requirements. The cabinet shall periodically review the use of all data collected  
21 under KRS 216.2920 to 216.2929 to assure its use is consistent with legislative intent.

22 Notwithstanding KRS 216.2925(4), the cabinet shall conduct outcome analyses and

8 by the reports, available to the public. The Health Services Data Advisory Committee  
9 shall review at least annually current protocols related to the release of data referenced in  
10 this section and shall make recommendations to the cabinet advisory committee  
11 referenced in KRS 216.2923. Persons or organizations requesting use of these data shall

24 as relevant data become available. Any charge information compiled and reported by the  
25 cabinet shall include the median charge and other percentiles to describe the typical  
26 charges for all of the patients treated by a provider and the total number of patients  
27 represented by the charges, and shall be risk adjusted according to the recommendations

 2 data used in the report and explain limitations of the data and why differences between

 4 report shall be given 30 days to verify the accuracy of its data prior to public release and  
 5 shall be afforded the opportunity to submit comments on its data that shall be included on  
 6 the Web site and as part of any printed report of the data. The cabinet shall only provide  
 7 linkages to organizations that publicly report comparative charge data for Kentucky  
 8 providers using data for all patients treated regardless of payor source, which may be  
 9 adjusted for outliers, is risk adjusted, and permits identified providers the opportunity to  
 10 comment on their data and includes such comments on the Web site and as part of any  
 11 printed report of the data.

12 The Cabinet for Health and Family Services shall make information available on its  
 13 Web site, describing quality and outcome measures, in understandable language with

- 26 health care providers, as determined by the Health Services Data Advisory Committee.

27 (b) The cabinet shall utilize or refer the general public to only those nationally

1 endorsed quality indicators that:

2 1. Are based upon current scientific evidence or relevant national professional  
3 consensus; and

4 2. Have definitions and calculation methods openly available to the general  
5 public at no charge.

6 Any report the cabinet disseminates or refers the public to shall:

7 (a) Not include data for a provider whose caseload of patients is insufficient to  
8 make the data a reliable indicator of the provider's performance;

9 (b) Afford providers specifically identified in the report 30 days to verify the  
10 accuracy of their data prior to the data's public release and the opportunity to submit  
11 comments on their data, which shall be included on the Web site and as part of any  
12 printed report of the data;

13 (c) Clearly identify the sources of data used in the report and explain the  
14 analytical methods used in preparing the data included in the report; and

16 consumers.

## PART XXIV

## PHARMACY SCHOLARSHIP PROGRAM

26           Notwithstanding KRS 48.310, the following statute is created to read as follows and  
27   shall have permanent effect, subject to future actions by the General Assembly:

SECTION 1. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO  
READ AS FOLLOWS:

(1) It is the intent of the General Assembly to establish a scholarship program to provide eligible Kentucky students the opportunity to attend an accredited school of pharmacy at a private four (4) year institution of higher education with a main campus located in an Appalachian Regional Commission county in the Commonwealth and become certified pharmacists in the Commonwealth.

(2) The Kentucky Higher Education Assistance Authority may award scholarships, to the extent funds are available for that purpose, to persons who declare an intent to enroll in a Pharm.D. program at an institution in the Commonwealth and practice in the Commonwealth and who are eligible under subsection (3) of this section.

(3) The authority may award scholarships to students who meet the following criteria:

(a) Kentucky residents who are United States citizens as determined by the institution in accordance with criteria established by the Council on Postsecondary Education for the purposes of admission and tuition assessment;

(b) Students who are enrolled or accepted for enrollment in an eligible program of study, on a full-time basis, or eligible students who have a disability defined by Title II of the Americans with Disabilities Act, 42 U.S.C. secs. 12131 et seq., certified by a licensed physician to be unable to attend the eligible program of study full-time because of the disability;

(c) Students who agree to render one (1) year of qualified service in the Commonwealth for each year the scholarship was awarded. "Qualified service" means a full-time practice in the Commonwealth of Kentucky as a licensed pharmacist for a majority of the calendar year, except that an

1           individual having a disability defined by Title II of the Americans with  
 2           Disabilities Act, 42 U.S.C. secs. 12131 et seq., whose disability, certified by  
 3           another licensed physician, prevents him or her from practicing full-time,  
 4           shall be deemed to perform qualified service by practicing the maximum  
 5           time permitted by the attending physician; and

6           (d) Students who sign a promissory note as evidence of the scholarship  
 7           awarded and the obligation to repay the scholarship amount or render  
 8           medical service as agreed in lieu of payment.

9           (4) The amount of the scholarship awarded to an eligible student by the authority  
 10           shall be equal to the difference between:

11           (a) The amount charged for in-state tuition at the University of Kentucky  
 12           College of Pharmacy; and

13           (b) The prevailing amount charged for tuition at the institution in which the  
 14           student is enrolled.

15           (5) The authority shall require a promissory note to be executed by the student as  
 16           evidence of the obligation. The recipient shall render one (1) year of qualified  
 17           service for each year the scholarship was awarded. Upon completion of each year  
 18           of qualified service, the authority shall cancel the appropriate number of  
 19           promissory notes. Promissory notes shall be canceled by qualified service in the  
 20           order in which the promissory notes were executed. Service credit shall not  
 21           include residency service. In the event a recipient fails to complete an eligible  
 22           program of study, or fails to render service as a pharmacist as agreed in  
 23           subsection (3) of this section, the recipient shall be liable for the total repayment  
 24           of the sum of all outstanding promissory notes and accrued interest.

25           (6) A scholarship shall not be awarded or a promissory note cancellation shall not be  
 26           granted to any person who is in default on any obligation to the authority under  
 27           any program administered by the authority under KRS 164.740 to 164.785 until

1 financial obligations to the authority are satisfied, except that ineligibility for this  
 2 reason may be waived by the authority for cause.

3 (7) A repayment obligation imposed by this section shall not be voidable by reason of  
 4 the age of the recipient at the time of executing the promissory note.

5 (8) Failure to meet repayment obligations imposed by this section shall be cause for  
 6 the revocation of the scholarship recipient's license to practice pharmacy, subject  
 7 to the procedures set forth in KRS Chapter 311.

8 (9) Notwithstanding KRS 164.753(3), the authority shall establish by administrative  
 9 regulation procedures or the terms of promissory notes from the administration  
 10 of this program, including the execution of appropriate contracts and promissory  
 11 notes, cancellation of the obligation, the rate of repayment and deferment of  
 12 repayment of outstanding debt, and the priority of awarding scholarships if funds  
 13 are insufficient to honor all requests.

14 (10) Notwithstanding any other statute to the contrary, the maximum interest rate  
 15 applicable to repayment of a promissory note under this section shall be twelve  
 16 percent (12%) per annum, except that if a judgment is rendered to recover  
 17 payment, the judgment shall bear interest at the rate of five percent (5%) greater  
 18 than the rate actually charged on the promissory note.

19 (11) (a) The Pharmacy Scholarship Program is hereby created as a special trust  
 20 fund in the State Treasury administered by the Kentucky Higher Education  
 21 Assistance Authority for the purpose of providing funds for scholarships to  
 22 eligible students studying pharmacy in schools in the Commonwealth.

23 (b) Funding shall be transferred to the special trust fund from the coal  
 24 severance tax revenue levied under KRS 143.020 in an amount that permits  
 25 each Kentucky resident eligible under subsection (3) of this section to be  
 26 awarded a scholarship in the amount established under subsection (4) of  
 27 this section. No more than four percent (4%) of the coal severance tax

1 revenues levied under KRS 143.020 and collected annually shall be  
 2 transferred to the trust fund. To the extent this appropriation and other  
 3 funds are available, the authority shall award scholarships to all renewal  
 4 applicants and eligible students in accordance with the formula for  
 5 determining the amount of the scholarship award established in this  
 6 section.

7 (c) The trust fund may also receive state appropriations, gifts, and grants from  
 8 public and private sources, and federal funds. Any unallotted or  
 9 unencumbered balances in the trust fund shall be invested as provided in  
 10 KRS 42.500(9). Income earned from the investments shall be credited to the  
 11 trust fund. Any fund balance at the close of the fiscal year shall not lapse  
 12 but shall be carried forward to the next fiscal year and continuously  
 13 appropriated only for the purposes specified in this section. A general  
 14 statement that all continuing appropriations are repealed, discontinued, or  
 15 suspended shall not operate to repeal, discontinue, or suspend this fund or  
 16 to repeal this action.

17 (d) All moneys repaid to the authority under this section shall be added to the  
 18 appropriations made for purposes of this section, and the funds and  
 19 unobligated appropriations shall not lapse.

20 (12) On or before August 1 of each year, sixty-five percent (65%) of the amount of  
 21 funding provided in subsection (11)(b) of this section shall be transferred to the  
 22 special trust fund, and the remaining thirty-five percent (35%) shall be  
 23 transferred on or before December 1 of each year. The revenue transfers shall be  
 24 based upon the revenue estimates prevailing at the time each transfer is due.

25 (13) The calculation and transfer of funds under subsection (11) of this section shall  
 26 be made only after the quarterly installment of the annual nineteen million  
 27 dollars (\$19,000,000) allocation of coal severance tax revenues has been credited

1 to the benefit reserve fund within the Workers' Compensation Funding  
 2 Commission as required by KRS 342.122.

### 3 **PART XXV**

5 Notwithstanding KRS 48.310, the following statute is amended to read as follows  
 6 and shall have permanent effect, subject to future actions by the General Assembly:

8 (1) State administering agencies shall not have continuation block grant application  
 9 requests. Each application for a block grant shall be deemed a new application.

 11 funds included in a block grant application to a federal administering agency, which  
 12 has not previously been specifically approved as a block grant by the General  
 13 Assembly in the biennial budget process as having complied with the criteria  
 14 specified in KRS 45.353, unless the application is found to be in compliance with  
 15 the standards and criteria as prescribed in KRS 45.353, as well as the applicable  
 16 federal and state laws.

17 (3) If a county contains no incorporated area, that county shall be permitted to  
 18 submit two (2) applications per year, one (1) as a county and one (1) as a city, for  
 19 any block grant program or any category of a block grant program that provides  
 20 funding on a competitive basis.

(1) As used in this section, "custody" means sole or joint custody, whether ordered by a court or agreed to by the parties.

(2) No motion to modify a custody decree shall be made earlier than two (2) years after its date, unless the court permits it to be made on the basis of affidavits that there is reason to believe that:

(a) The child's present environment may endanger seriously his physical, mental, moral, or emotional health; or

(b) The custodian appointed under the prior decree has placed the child with a de facto custodian.

(3) If a court of this state has jurisdiction pursuant to the Uniform Child Custody Jurisdiction Act, the court shall not modify a prior custody decree unless after hearing it finds, upon the basis of facts that have arisen since the prior decree or that were unknown to the court at the time of entry of the prior decree, that a change has

1 occurred in the circumstances of the child or his custodian, and that the  
2 modification is necessary to serve the best interests of the child. When determining  
3 if a change has occurred and whether a modification of custody is in the best  
4 interests of the child, the court shall consider the following:

- 5 (a) Whether the custodian agrees to the modification;
- 6 (b) Whether the child has been integrated into the family of the petitioner with  
7 consent of the custodian;
- 8 (c) The factors set forth in KRS 403.270(2) to determine the best interests of the  
9 child;
- 10 (d) Whether the child's present environment endangers seriously his physical,  
11 mental, moral, or emotional health;
- 12 (e) Whether the harm likely to be caused by a change of environment is  
13 outweighed by its advantages to him; and
- 14 (f) Whether the custodian has placed the child with a de facto custodian.

15 (4) In determining whether a child's present environment may endanger seriously his  
16 physical, mental, moral, or emotional health, the court shall consider all relevant  
17 factors, including, but not limited to:

- 18 (a) The interaction and interrelationship of the child with his parent or parents, his  
19 de facto custodian, his siblings, and any other person who may significantly  
20 affect the child's best interests;
- 21 (b) The mental and physical health of all individuals involved;
- 22 (c) Repeated or substantial failure, without good cause as specified in KRS  
23 403.240, of either parent to observe visitation, child support, or other  
24 provisions of the decree which affect the child, except that modification of  
25 custody orders shall not be made solely on the basis of failure to comply with  
26 visitation or child support provisions, or on the basis of which parent is more  
27 likely to allow visitation or pay child support;

1 (d) If domestic violence and abuse, as defined in KRS 403.720, is found by the  
 2 court to exist, the extent to which the domestic violence and abuse has  
 3 affected the child and the child's relationship to both parents.

4 (5) (a) Except as provided in paragraph (b) of this subsection, any court-ordered  
 5 modification of a child custody decree, based in whole or in part on:

6 1. The active duty of a parent or a de facto custodian as a regular  
 7 member of the United States Armed Forces deployed outside the  
 8 United States; or

9 2. Any federal active duty of a parent or a de facto custodian as a  
 10 member of a state National Guard or a Reserve component;  
 11 shall be temporary and shall revert back to the previous child custody  
 12 decree at the end of the deployment outside the United States or the federal  
 13 active duty, as appropriate.

14 (b) A parent or de facto custodian identified in paragraph (a) of this subsection  
 15 may consent to a modification of a child custody decree that continues past  
 16 the end of the deployment outside the United States or the federal active  
 17 duty, as appropriate.

18 (6) Attorney fees and costs shall be assessed against a party seeking modification if the  
 19 court finds that the modification action is vexatious and constitutes harassment.

20 Section 11. KRS 341.370 is amended to read as follows:

21 (1) A worker shall be disqualified from receiving benefits for the duration of any period  
 22 of unemployment with respect to which:

23 (a) He has failed without good cause either to apply for available, suitable work  
 24 when so directed by the employment office or the secretary or to accept  
 25 suitable work when offered him, or to return to his customary self-  
 26 employment when so directed by the secretary; or

27 (b) He has been discharged for misconduct or dishonesty connected with his most

1 recent work, or from any work which occurred after the first day of the  
 2 worker's base period and which last preceded his most recent work, but  
 3 legitimate activity in connection with labor organizations or failure to join a  
 4 company union shall not be construed as misconduct; or

5 (c) He has left his most recent suitable work or any other suitable work which  
 6 occurred after the first day of the worker's base period and which last preceded  
 7 his most recent work voluntarily without good cause attributable to the  
 8 employment. No otherwise eligible worker shall be disqualified from  
 9 receiving benefits for:

10 1. Leaving his next most recent suitable work which was concurrent with  
 11 his most recent work;~~[- or for]~~

12 2. Leaving work which is one hundred (100) road miles or more, as  
 13 measured on a one (1) way basis, from his home to accept work which is  
 14 less than one hundred (100) road miles from his home;~~[- or for~~  
 15 ~~otherwise]~~

16 3. Accepting work which is a bona fide job offer with a reasonable  
 17 expectation of continued employment; or

18 4. a. Leaving work to accompany the worker's spouse to a different

2 section unless the employer, within a reasonable time as prescribed by regulations  
3 promulgated by the secretary, notifies the Cabinet for Workforce Development and  
4 the worker in writing of the alleged voluntary quitting or the discharge for  
5 misconduct. Nothing in this subsection shall restrict the right of the secretary to  
6 disqualify a worker whose employer has refused or failed to notify the Cabinet for  
7 Workforce Development of the alleged voluntary quitting or discharge for  
8 misconduct, if the alleged voluntary quitting or discharge for misconduct is known  
9 to the secretary prior to the time benefits are paid to the worker. The exercise of the  
10 right by the secretary, in the absence of timely notice from the employer, shall not

- 13 (4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work  
14 shall be construed as that work which occurred after the first day of the worker's  
15 base period and which last preceded the week of unemployment with respect to  
16 which benefits are claimed; except that, if the work last preceding the week of  
17 unemployment was seasonal, intermittent, or temporary in nature, most recent work  
18 may be construed as that work last preceding the seasonal, intermittent, or  
19 temporary work.
- 20 (5) No worker shall be disqualified or held ineligible under the provisions of this  
21 section or KRS 341.350, who is separated from employment pursuant to a labor  
22 management contract or agreement, or pursuant to an established employer plan,  
23 program, or policy, which permits the employer to close the plant or facility for  
24 purposes of vacation or maintenance.
- 25 (6) "Discharge for misconduct" as used in this section shall include but not be limited  
26 to, separation initiated by an employer for falsification of an employment

2 the worker cannot show good cause for absences or tardiness; damaging the  
3 employer's property through gross negligence; refusing to obey reasonable

10 be the period of time beginning with the worker's discharge, voluntary quitting, or  
11 failure to apply for or accept suitable work and running until the worker has worked  
12 in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times

17 office, would make attendance by the beneficiary at an eligible  
18 educational institution impossible or unreasonably burdensome; or
- 19 3. A request made on or after July 1 of the initial projected year of  
20 enrollment of the qualified beneficiary; and

21 (b) The amounts paid on the purchaser's prepaid tuition contract if the contract is

25 this paragraph.

26 (3) At the option of the purchaser, the value of the prepaid tuition account may be  
27 carried forward to another academic year or distributed by the fund upon the

Section 1. KRS 131.600 is amended to read as follows:

As used in this section and KRS 131.602:

(1) "Adjusted for inflation" means increased in accordance with the formula for inflation adjustment set forth in Exhibit C to the master settlement agreement.

(2) "Affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another person.

Solely for purposes of this definition, the terms "owns," "is owned," and "ownership" mean ownership of an equity interest, or the equivalent thereof, of ten percent (10%) or more, and the term "person" means an individual, partnership, committee, association, corporation, or any other organization or group of persons.

(3) "Allocable share" means allocable share as that term is defined in the master settlement agreement.

(4) "Cigarette" means any product that contains nicotine, is intended to be burned or heated under ordinary conditions of use, and consists of or contains:

(a) Any roll of tobacco wrapped in paper or in any substance not containing tobacco;

(b) Tobacco, in any form, that is functional in the product, which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette; or

(c) Any roll of tobacco wrapped in any substance containing tobacco which,

1           because of its appearance, the type of tobacco used in the filler, or its  
2           packaging and labeling, is likely to be offered to, or purchased by, consumers  
3           as a cigarette described in paragraph (a) of this subsection.

4           The term "cigarette" includes "roll-your-own", i.e., any tobacco which, because of  
5           its appearance, type, packaging, or labeling is suitable for use and likely to be  
6           offered to, or purchased by, consumers as tobacco for making cigarettes. For  
7           purposes of this definition of "cigarette," nine-hundredths (0.09) ounces of "roll-  
8           your-own" tobacco shall constitute one (1) individual "cigarette."

9   (5) "Master settlement agreement" means the settlement agreement and related  
10       documents entered into on November 23, 1998, by Kentucky and leading United  
11       States tobacco product manufacturers.

12   (6) "Qualified escrow fund" means an escrow arrangement with a federally or state-  
13       chartered financial institution having no affiliation with any tobacco product  
14       manufacturer and having assets of at least one billion dollars (\$1,000,000,000)  
15       where such arrangement requires that such financial institution hold the escrowed  
16       funds' principal for the benefit of releasing parties and prohibits the tobacco product  
17       manufacturer placing the funds into escrow from using, accessing, or directing the  
18       use of the funds' principal except as consistent with KRS 131.602(2).

19   (7) "Released claims" means released claims as that term is defined in the master  
20       settlement agreement.

21   (8) "Releasing parties" means releasing parties as that term is defined in the master  
22       settlement agreement.

23   (9) "Tobacco product manufacturer" means an entity that after June 30, 2000, directly  
24       and not exclusively through any affiliate:

25       (a) Manufactures cigarettes anywhere that such manufacturer intends to be sold in  
26           the United States, including cigarettes intended to be sold in the United States  
27           through an importer, except where such importer is an original participating

1 manufacturer, as that term is defined in the master settlement agreement, that  
 2 will be responsible for the payments under the master settlement agreement  
 3 with respect to such cigarettes as a result of the provisions of subsection  
 4 II(mm) of the master settlement agreement and that pays the taxes specified in  
 5 subsection II(z) of the master settlement agreement, and provided that the  
 6 manufacturer of such cigarettes does not market or advertise such cigarettes in  
 7 the United States;

8 (b) Is the first purchaser anywhere for resale in the United States of cigarettes  
 9 manufactured anywhere that the manufacturer does not intend to be sold in the  
 10 United States; or

11 (c) Becomes a successor of an entity described in paragraph (a) or (b) of this  
 12 subsection.

13 The term "tobacco product manufacturer" shall not include an affiliate of a tobacco  
 14 product manufacturer unless such affiliate itself falls within any of the definitions  
 15 described in paragraph (a), (b), or (c) of this subsection.

16 (10) "Units sold" means the number of individual cigarettes sold in Kentucky by the  
 17 applicable tobacco product manufacturer, whether directly or through a distributor,  
 18 retailer, or similar intermediary or intermediaries, during the year in question, as  
 19 measured by excise taxes collected by Kentucky on packs or "roll-your-own"  
 20 tobacco~~[containers bearing the excise tax stamp of Kentucky]~~. The Department of  
 21 Revenue shall promulgate such regulations as are necessary to ascertain the amount  
 22 of state excise tax paid on the cigarettes of such tobacco product manufacturer for  
 23 each year.

24 Section 2. KRS 138.140 is amended to read as follows:

25 (1) A tax shall be paid on the sale of cigarettes within the state at a proportionate rate of  
 26 three cents (\$0.03) on each twenty (20) cigarettes. This tax shall be paid only once,  
 27 regardless of the number of times the cigarettes may be sold in this state.

- 1 (2) Effective June 1, 2005, a surtax shall be paid in addition to the tax levied in  
2 subsection (1) of this section at a proportionate rate of twenty-six cents (\$0.26) on  
3 each twenty (20) cigarettes. This tax shall be paid only once, at the same time the  
4 tax imposed by subsection (1) of this section is paid, regardless of the number of  
5 times the cigarettes may be sold in the state.
- 6 (3) Effective June 1, 2005, a surtax shall be paid in addition to the tax levied in  
7 subsection (1) of this section and in addition to the surtax levied by subsection (2)  
8 of this section, at a proportionate rate of one cent (\$0.01) on each twenty (20)  
9 cigarettes. This tax shall be paid only once, at the same time the tax imposed by  
10 subsection (1) of this section and the surtax imposed by subsection (2) of this  
11 section are paid, regardless of the number of times the cigarettes may be sold in the  
12 state.
- 13 (4) (a) Effective August 1, 2005, an excise~~[a]~~ tax shall be imposed upon all  
14 wholesalers of other tobacco products at the rate of seven and one-half percent  
15 (7.5%) of the gross receipts of any wholesaler derived from wholesale sales  
16 made within the Commonwealth.
- 17 (b) This excise tax shall be paid only once, regardless of the number of times the  
18 tobacco product may be sold in the state.
- 19 (5) Effective August 1, 2005, a tax shall be imposed upon all wholesalers of snuff at a  
20 rate of nine and one-half cents (\$0.095) per unit. As used in this section unit means  
21 a hard container not capable of containing more than one and one-half (1-1/2)  
22 ounce. In determining the quantity subject to the tax under this subsection, if a  
23 package on which the tax is levied, contains more than an individual unit, the  
24 taxable quantity shall be calculated by multiplying the total number of individual  
25 units by the rate set in this subsection. The tax imposed under this subsection shall  
26 be paid only once, regardless of the number of times the snuff may be sold in this  
27 state.

1 (6) The General Assembly recognizes that increasing taxes on tobacco products should  
 2 reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The  
 3 relative taxes on tobacco products proposed in this section reflect the growing data  
 4 from scientific studies suggesting that although smokeless tobacco poses some  
 5 risks, those health risks are significantly less than the risks posed by other forms of  
 6 tobacco products. Moreover, the General Assembly acknowledges that some in the  
 7 public health community recognize that tobacco harm reduction should be a  
 8 complementary public health strategy regarding tobacco products. Taxing tobacco  
 9 products according to relative risk is a rational tax policy and may well serve the  
 10 public health goal of reducing smoking-related mortality and morbidity and  
 11 lowering health care costs associated with tobacco-related disease.

8 (c) The tax shall be remitted to the Department of Revenue at the same time  
9 and in the same manner as the tax imposed in subsection (4) of this section.

10 (7) The department may prescribe forms and promulgate administrative regulations  
11 to execute and administer the provisions of this section.

**(8)** The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco-related disease.

 19 procedures under KRS 138.450(12)(~~b~~)(~~a~~) for new vehicles, and KRS  
 20 138.450(~~14~~)(~~12~~)(~~e~~), (~~d~~), or (~~15~~)(~~e~~) for used vehicles. The clerk shall attach the  
 21 notarized affidavit, if available, or other documentation attesting to the retail price  
 22 of the vehicle as the department~~[of Revenue]~~ may prescribe by administrative  
 23 regulation promulgated under KRS Chapter 13A to the copy of the certificate of  
 24 registration and application for title mailed to the department.

25 (8) Notwithstanding the provisions of KRS 138.450, the tax shall not be less than six  
 26 dollars (\$6) upon titling or first registration of a motor vehicle in this state, except  
 27 where the vehicle is exempt from tax under KRS 138.470 or 154.45-090.

(9) Where a motor vehicle is sold by a dealer in this state and the purchaser returns the vehicle for any reason to the same dealer within sixty (60) days for a vehicle replacement or a refund of the purchase price, the purchaser shall be entitled to a refund of the amount of usage tax received by the department~~[of Revenue]~~ as a result of the registration of the returned vehicle. In the case of a new motor vehicle, the registration of the returned vehicle shall be canceled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

(10) When a manufacturer refunds the retail purchase price or replaces a new motor vehicle for the original purchaser within ninety (90) days because of malfunction or defect, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the department~~[of Revenue]~~ as a result of the first titling or registration. A person shall not be entitled to a refund unless the person has filed with the department~~[of Revenue]~~ a report from the manufacturer identifying the vehicle that was replaced and stating the date of replacement.

(11) Notwithstanding the time limitations of subsections (9) and (10) of this section, when a dealer or manufacturer refunds the retail purchase price or replaces a motor vehicle for the purchaser as a result of formal arbitration or litigation, or, in the case of a manufacturer, because ordered to do so by a dispute resolution system established under KRS 367.865 or 16 C.F.R. 703, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the department~~[of Revenue]~~ as a result of the titling or registration. A person shall not be entitled to a refund unless the person files with the department~~[of Revenue]~~ a report from the dealer or manufacturer identifying the vehicle that was replaced.

**(12) (a) An owner who has paid the tax levied under this section on a used motor vehicle or U-Drive-It vehicle based upon the retail price as defined in KRS 138.450(16)(a) shall be entitled to a refund of any tax overpayment, plus**

applicable interest as provided in KRS 131.183, if the owner:

1. Files for a refund with the department within four (4) years from the date the tax was paid as provided in KRS 134.580; and

2. Documents to the satisfaction of the department that the condition of the vehicle merits a retail price lower than the retail price as defined in KRS 138.450(16)(a).

(b) The department shall promulgate administrative regulations to develop the forms and the procedures by which the owner can apply for a refund and document the condition of the vehicle. The department shall provide the information to each county clerk.

(c) The refund shall be based upon the difference between the tax paid and the tax determined to be due by the department at the time the owner titled or registered the vehicle.

Section 3. KRS 138.4605 is amended to read as follows:

(1) A motor vehicle dealer who operates a service or repair component in his dealership may register a motor vehicle to be used exclusively as a loaner or rental motor vehicle to the customers of this service or repair department. The dealer may pay usage tax on the loaner or rental motor vehicle as provided in KRS 138.460, or, subject to the provisions of this section, may pay a usage tax of twenty-five dollars (\$25) per month on the loaner or rental motor vehicle.

(2) A dealer shall pay the usage tax on a loaner or rental motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the Department of Revenue that he is regularly engaged in the servicing or repair of motor vehicles and loans or rents the loaner or rental motor vehicle to a retail customer while the customer's motor vehicle is at the dealership for repair or service.

(3) For a dealer to be eligible to pay the usage tax on a loaner or rental motor vehicle

1 under this section, the dealer shall identify the motor vehicle as a loaner or rental  
 2 motor vehicle to the Department of Revenue and shall maintain records, as required  
 3 by the Department of Revenue, which show all uses of the loaner or rental motor  
 4 vehicle.

5 (4) The tax due under subsection (1) of this section shall be remitted to the Department  
 6 of Revenue monthly on forms prescribed by and in accordance with administrative  
 7 regulations promulgated by the department.

8 (5) Failure of a motor vehicle dealer to remit the taxes applicable to a loaner or rental  
 9 motor vehicle under this section shall be sufficient cause for the Department of  
 10 Revenue to revoke the authority to use that motor vehicle as a loaner or rental motor  
 11 vehicle and cause the usage tax on that motor vehicle to be due and payable in  
 12 accordance with KRS 138.460 on the retail price of that motor vehicle when it was  
 13 first registered as a loaner or rental motor vehicle.

14 (6) A motor vehicle no longer covered under the loaner permit program shall be taxed  
 15 in the same manner as motor vehicles under KRS 138.450(12) or (16).

16 Section 4. KRS 138.464 is amended to read as follows:

17 (1) The county clerk shall report each Monday to the department~~[of Revenue]~~ all  
 18 moneys collected during the previous week, together with a duplicate of all receipts  
 19 issued by him during the same period.

20 (2) The clerk shall deposit motor vehicle usage tax collections not later than the next  
 21 business day following receipt in a Commonwealth of Kentucky, Department of  
 22 Revenue account in a bank designated as a depository for state funds. The clerk may  
 23 be required to then cause the funds to be transferred from the local depository bank  
 24 to the State Treasury in whatever manner and at times prescribed by the  
 25 commissioner of the department~~[of Revenue]~~ or his designee.

26 (3) Failure to forward duplicates of all receipts issued during the reporting period or  
 27 failure to file the weekly report of moneys collected shall subject the clerk to a

1 penalty of two and one-half percent (2.5%) of the amount of moneys collected  
 2 during the reporting period for each month or fraction thereof until the documents  
 3 are filed.

4 (4) Failure to deposit or, if required, transfer collections as required above shall subject  
 5 the clerk to a penalty of two and one-half percent (2.5%) of the amount not  
 6 deposited or, if required, not transferred for each day until the collections are  
 7 deposited or transferred as required above. The penalty for failure to deposit or  
 8 transfer money collected shall not be less than fifty dollars (\$50) nor more than five  
 9 hundred dollars (\$500) per day.

10 (5) The penalties provided in this section shall not apply if the failure of the clerk is due  
 11 to reasonable cause.

12 (6) The department may in its discretion grant a county clerk a reasonable extension of  
 13 time to file his report or make any transfer of deposits as required above. The  
 14 extension, however, must be requested prior to the end of the seven (7) day period  
 15 and shall begin to run at the end of said period.

16 (7) All penalties collected under this provision shall be paid into the State Treasury as a  
 17 part of the revenue collected under KRS 138.450 to 138.729.

18 Section 5. This Part takes effect January 1, 2007.

21 Notwithstanding KRS 48.310, the following statutes are amended or created to read  
 22 as follows and shall have permanent effect, subject to future actions by the General  
 23 Assembly:

24 Section 1. KRS 139.470 is amended to read as follows:

25 There are excluded from the computation of the amount of taxes imposed by this chapter:

26 (1) Gross receipts from the sale of, and the storage, use, or other consumption in this  
 27 state of, tangible personal property which this state is prohibited from taxing under

1 the Constitution or laws of the United States, or under the Constitution of this state;

2 (2) Gross receipts from sales of, and the storage, use, or other consumption in this state  
3 of:

4 (a) Nonreturnable and returnable containers when sold without the contents to  
5 persons who place the contents in the container and sell the contents together  
6 with the container; and

7 (b) Returnable containers when sold with the contents in connection with a retail  
8 sale of the contents or when resold for refilling;

9 As used in this section the term "returnable containers" means containers of a kind  
10 customarily returned by the buyer of the contents for reuse. All other containers are  
11 "nonreturnable containers";

12 (3) Gross receipts from the sale of, and the storage, use, or other consumption in this  
13 state of, tangible personal property used for the performance of a lump-sum, fixed-  
14 fee contract of public works executed prior to February 5, 1960;

15 (4) Gross receipts from occasional sales of tangible personal property and the storage,  
16 use, or other consumption in this state of tangible personal property, the transfer of  
17 which to the purchaser is an occasional sale;

18 (5) Gross receipts from sales of tangible personal property to a common carrier,  
19 shipped by the retailer via the purchasing carrier under a bill of lading, whether the  
20 freight is paid in advance or the shipment is made freight charges collect, to a point  
21 outside this state and the property is actually transported to the out-of-state  
22 destination for use by the carrier in the conduct of its business as a common carrier;

23 (6) Gross receipts from sales of tangible personal property sold through coin-operated  
24 bulk vending machines, if the sale amounts to fifty cents (\$0.50) or less, if the  
25 retailer is primarily engaged in making the sales and maintains records satisfactory  
26 to the department. As used in this subsection, "bulk vending machine" means a  
27 vending machine containing unsorted merchandise which, upon insertion of a coin,

1 dispenses the same in approximately equal portions, at random and without  
2 selection by the customer;

3 (7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or  
4 other statutory or constitutional agency of the state and gross receipts from sales to  
5 counties, cities, or special districts as defined in KRS 65.005. This exemption shall  
6 apply only to purchases of property or services for use solely in the government  
7 function. A purchaser not qualifying as a governmental agency or unit shall not be  
8 entitled to the exemption even though the purchaser may be the recipient of public  
9 funds or grants;

10 (8) (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky  
11 residents for use in heating, water heating, cooking, lighting, and other  
12 residential uses. As used in this subsection, "fuel" shall include but not be  
13 limited to natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood.  
14 Determinations of eligibility for the exemption shall be made by the  
15 Department of Revenue;

16 (b) In making the determinations of eligibility, the department shall exempt from  
17 taxation all gross receipts derived from sales:

18 1. Classified as "residential" by a utility company as defined by applicable  
19 tariffs filed with and accepted by the Public Service Commission;

20 2. Classified as "residential" by a municipally owned electric distributor  
21 which purchases its power at wholesale from the Tennessee Valley  
22 Authority;

23 3. Classified as "residential" by the governing body of a municipally owned  
24 electric distributor which does not purchase its power from the  
25 Tennessee Valley Authority, if the "residential" classification is  
26 reasonably consistent with the definitions of "residential" contained in  
27 tariff filings accepted and approved by the Public Service Commission

1                   with respect to utilities which are subject to Public Service Commission  
2                   regulation.

3                   If the service is classified as residential, use other than for "residential"  
4                   purposes by the customer shall not negate the exemption;

5           (c)   The exemption shall not apply if charges for sewer service, water, and fuel are  
6                   billed to an owner or operator of a multi-unit residential rental facility or  
7                   mobile home and recreational vehicle park other than residential  
8                   classification; and

9           (d)   The exemption shall apply also to residential property which may be held by  
10                  legal or equitable title, by the entireties, jointly, in common, as a  
11                  condominium, or indirectly by the stock ownership or membership

13                  owning a fee or a leasehold initially in excess of ninety-eight (98) years;

14   (9)   Any rate increase for school taxes and any other charges or surcharges added to the  
15           total amount of a residential telephone bill;

16   (10)   Gross receipts from sales to an out-of-state agency, organization, or institution  
17           exempt from sales and use tax in its state of residence when that agency,  
18           organization, or institution gives proof of its tax-exempt status to the retailer and the  
19           retailer maintains a file of the proof;

20   (11)   Gross receipts derived from the sale of, and the storage, use, or other consumption  
21           in this state of, tangible personal property to be used in the manufacturing or  
22           industrial processing of tangible personal property at a plant facility and which will  
23           be for sale. The property shall be regarded as having been purchased for resale.  
24           "Plant facility" shall have the same meaning as defined in KRS 139.170(3). For  
25           purposes of this subsection, a manufacturer or industrial processor includes an  
26           individual or business entity that performs only part of the manufacturing or  
27           industrial processing activity and the person or business entity need not take title to

2       activity.

3       (a) Industrial processing includes refining, extraction of petroleum and natural  
4       gas, mining, quarrying, fabricating, and industrial assembling. As defined  
5       herein, tangible personal property to be used in the manufacturing or industrial

9           2. Other tangible personal property which is directly used in manufacturing  
10          or industrial processing, if the property has a useful life of less than one  
11          (1) year. Specifically these items are categorized as follows:

18           dyes, refrigerants, explosives, etc. The supplies indicated above  
19           need not come in direct contact with a manufactured product to be  
20           exempt. "Supplies" does not include repair, replacement, or spare  
21           parts of any kind.

22           c. Industrial tools. This group is limited to hand tools such as jigs,  
23           dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc.,

25           grinding wheels, dies, bits, cutting blades, etc. Normally, for  
26           industrial tools to be considered directly used in manufacturing,  
27           they shall come into direct contact with the product being

1 manufactured.

2 3. Materials and supplies that are not reusable in the same manufacturing  
3 process at the completion of a single manufacturing cycle, excluding  
4 repair, replacement, or spare parts of any kind. A single manufacturing  
5 cycle shall be considered to be the period elapsing from the time the raw  
6 materials enter into the manufacturing process until the finished product  
7 emerges at the end of the manufacturing process.

8 (b) It shall be noted that in none of the three (3) categories is any exemption  
9 provided for repair, replacement, or spare parts. Repair, replacement, or spare  
10 parts shall not be considered to be materials, supplies, or industrial tools  
11 directly used in manufacturing or industrial processing. "Repair, replacement,  
12 or spare parts" shall have the same meaning as set forth in KRS 139.170;

13 (12) Any water use fee paid or passed through to the Kentucky River Authority by  
14 facilities using water from the Kentucky River basin to the Kentucky River  
15 Authority in accordance with KRS 151.700 to 151.730 and administrative  
16 regulations promulgated by the authority;

17 (13) Gross receipts from the sale of newspaper inserts or catalogs purchased for storage,  
18 use, or other consumption outside this state and delivered by the retailer's own  
19 vehicle to a location outside this state, or delivered to the United States Postal  
20 Service, a common carrier, or a contract carrier for delivery outside this state,  
21 regardless of whether the carrier is selected by the purchaser or retailer or an agent  
22 or representative of the purchaser or retailer, or whether the F.O.B. is retailer's  
23 shipping point or purchaser's destination.

24 (a) As used in this subsection:

2           distributed with a newspaper of general circulation.

3           (b) The retailer shall be responsible for establishing that delivery was made to a  
4           non-Kentucky location through shipping documents or other credible evidence  
5           as determined by the department;

9       the retailer's own vehicle to a location outside this state, or delivered to the United  
10      States Postal Service, a common carrier, or a contract carrier for delivery outside  
11      this state, regardless of whether the carrier is selected by the purchaser or retailer or  
12      an agent or representative of the purchaser or retailer, or whether the F.O.B. is the  
13      retailer's shipping point or the purchaser's destination.

14       (a) As used in this subsection, "metal retail fixtures" means check stands and  
15       belted and nonbelted checkout counters, whether made in bulk or pursuant to  
16       specific purchaser specifications, that are to be used directly by the purchaser  
17       or to be distributed by the purchaser.

18       (b) The retailer shall be responsible for establishing that delivery was made to a  
19       non-Kentucky location through shipping documents or other credible evidence  
20       as determined by the department;

21   (16) Gross receipts from the sale of unenriched or enriched uranium purchased for  
22       ultimate storage, use, or other consumption outside this state and delivered to a  
23       common carrier in this state for delivery outside this state, regardless of whether the  
24       carrier is selected by the purchaser or retailer, or is an agent or representative of the  
25       purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or  
26       purchaser's destination;

27   (17) Amounts received from a tobacco buydown. As used in this subsection, "buydown"

1 means an agreement whereby an amount, whether paid in money, credit, or

 5 manufacturer's or wholesaler's coupon or redemption certificate;

6 (18) Gross receipts from the sale of property returned by a purchaser when the full sales  
 7 price is refunded either in cash or credit. This exclusion shall not apply if the

10 (19) Gross receipts from the sales of gasoline and special fuels subject to tax under KRS  
 11 Chapter 138;
